

Certificate of Conformity for products tested in accordance with the requirements of:

BS AU 145d : 1998

Certificate issued to:

Tennants UK Ltd, 77 Duke Street, New Bashford, Nottingham NG7 7JN

Commercial traceability : AWL 1408
Test report traceability : AWL 1408 / TR0578
Certificate No : COC/0014

This certificate confirms that full-construction number plate samples manufactured by the above-named company have been independently tested by UKAS accredited laboratory 7517 in accordance with the relevant clauses of BSi Standard: **BS AU 145d : 1998 inc. Amd No.1 – Specification for Retroreflecting number plates**. This certificate also confirms the sample construction codes shown below have met or exceeded the acceptance criteria within the standard.

ATW & ATY

The number plate constructions shown above are representative only of the samples provided for testing and do not refer to quality of product produced by the above-named company during subsequent production runs. It is strongly advised that batch sample testing is carried out on at least an annual basis and always after any manufacturing, raw material supplier, material formulation, production process changes or any other change which may affect the quality and conformance of the product to this standard.
