

For when less is more

Short Oblong

Are you embarrassed by having to sell Standard Oblong plates to the proud owners of short registrations and do you share their disappointment in seeing all that empty white or yellow space on either side of the print?

Well, fear not, because Tennants Short Oblong Plates are here

Max 4 digit reg 355mm x 111mm

Max 5 digit reg 355mm x 111mm

Max 6 digit reg 406mm x 111mm

Max 3 digit reg 355mm x 111mm

By simply increasing our range of stock components and software templates, you can now choose from special plate sizes to suit 6, 5, 4 or even 3 digit registrations, without the unsightly excess of plain background.

Available as either **Components** for our Trade Customers or **Made Up Plates**, Short Oblong can be combined with our popular **True 3D** Plates for an ultra stylish yet minimalist look.
