

EnduraSign Quickfit Frame[®]

The EnduraSign QuickFit Frame is a plastic sign frame that is compatible with 300mm hole centre sign faces. The modular design means the correct signage can be quickly assembled on site. Space and weight limitations are improved in works vehicles compared to using 1 piece Chapter 8 signs.

Usage Benefits

- Ultra-durable sign frame is resistant to cracking
- Plastic sign frame fitted with 4 antiluce droplocks, compatible with 300mm spaced quickfit faces
- Compact design to fit more signage in works vehicles
- Interchangeable sign faces can be installed on site
- Highly resistant to wind
- Category C (19 mph) winds without ballast
- Category B (39 mph) winds with a 9kg weight (for 1050 rectangle use 13kg)
- Compatible with EnduraSign Ballast 9kg weight
- Lightweight 3.3kg design reduces weight in works vehicles
- Clearly label equipment and prevent theft with corporate nameplate and custom RAL colour frame
- Create clear signage and information in all weather
